‘Together we strive to create an educational community of respect and inclusion, empowering all to embrace learning, achieve excellence and transform lives.’

Dear Parents/Carers,

As we approach the end of the Spring term, we would like to take a moment to reflect on the wonderful progress our pupils have made and share some important updates.

Highlights of the Year so far

Elmstead Wood Primary School was inspected by Ofsted in the Autumn term and secured Good across all areas which is a testament to the team at the school and across the Trust.

This term has been filled with exciting learning experiences, growth, and creativity. Our pupils have worked hard across all subjects, and their dedication is truly inspiring. Here are just a few highlights:

- **Curriculum highlights:**

Elmstead Wood will be collaborating with Eltham College in an innovative Pathways Programme which will offer fantastic academic enrichment opportunities for gifted and talented Year 5 pupils.

Pathways Programme

Ambition | Collaboration | Fairness | Respect

Spring Partnership Trust Schools

- **Sporting Events:** Our pupils took part and enjoyed some fantastic sporting events such as the Cross Country at Crystal Palace that Midfield Primary pupils took part in and Key Stage 1 quick fire cricket tournament which the St Mary Cray team won!

- **Special Events:** We celebrated important dates like World Book Day at Hayes Primary School and in the rest of our schools, the Leasons choir performed at the BYMT Fairfield Halls last week. Thank you to everyone who helped make these events a success!

We are proud to present children from across our Trust schools coming together in harmony to celebrate being part of one entity through song—showcasing not only their amazing voices, but the strength of our community spirit and collaboration.

Spring Partnership Trust Schools

This week, we had the privilege of celebrating the incredible career of Mr Le Conte, (Deputy Head at Midfield), a dedicated and inspiring leader who has given his all to his school and community for almost 25 years!

Mr Le Conte's journey is a testament to dedication and growth. He started as a teaching assistant and worked his way up to Deputy Headship, proving that leadership isn't about moving from school to school but about making a lasting impact where it truly matters. He has seen the school rise from special measures to outstanding twice!

While we will miss him dearly, we know his next chapter will be just as meaningful - especially with the eco-garden at Midfield in his capable hands!

Thank you Mr Le Conte, for your years of dedication, innovation, and leadership. Wishing you all the best in this new adventure!

Thank You

We would like to thank all parents and families for your continued support throughout the year. Your involvement truly makes a difference in your child's education, and we look forward to continuing our partnership. We wish you a restful and peaceful Spring break.

Very best wishes,
Mrs Sesli and Mrs Sheehan
Co CEOs
